# SOL OVER INDRE BY

Selvom man kan finde på lidt af hvert, kan man godt have et hjerte af guld.

Charmerende billedbogsserie af Sophie Soud og Emilia Rubæk.

@bogoplevelsen

*“Der er en ny stjerne i byen. Sol. Med store armbevægelser, højt humør og overmåde charme lander Sol lige der, hvor børnelitteraturen altid kan bruge mere. Sjove bøger med godt humør og et let provokerende glimt i øjet.”*
